

INDEPENDENT
Living Systems

WHO ARE WE? - Independent Living Systems (ILS) is an innovative health services company that provides managed long term support services (LTSS) that improve the lives of over one million people who are enrolled in managed care plans across the country. We are based in Miami Florida & will be opening a new office in Oakbrook for our customer, Humana. Positions will be field based, caring for Humana members that will be located in the following counties:

- | | |
|---------|------------|
| *Cook | * Kankakee |
| *DuPage | * Lake |
| *Kane | *Will |

OUR PROGRAM – we will be providing care to the following Humana members participating in the new State of Illinois Managed Care Initiatives:

Medicare-Medicaid Alignment Initiative- formerly known as ‘the duals’, this innovative program serves members who are covered by both Medicaid & Medicare

Integrated Care Program- frequently referred to as “ICP”, this program is expanding to include Medicaid members that are aged, blind & disabled

Our goal is to help members remain as independent and healthy as possible by supporting them in the community- wherever they reside. Our members may reside in the community, in Supportive Living Facilities (SLF’s) or Nursing Facilities. You will conduct initial & ongoing assessments creating member centric care plans & insuring goals are realistic & attainable. You will work collaboratively with other team members from ILS, Humana & Beacon (Behavioral Health)

WE ARE BUILDING OUR TEAM- ILS is recruiting for a select group of professionals for field based positions. Our model focuses on inter-disciplinary care teams (ICT’s), so we are looking for professionals with varied backgrounds. Are you a fit? We are looking for:

Educational Background

- RN’s
- Social Workers
- Bachelors/Masters social/human sciences
- Vocational/Rehabilitation specialist’s

Professional Background

- Community/Home Health
- Long term care
- Various Rehabilitation settings
- Acute care

**** Specialty team: HIV, Brain injury, nursing home transitions to community settings
